Titles and descriptions of microfilm sets of LBJ Library records, primarily on domestic policy issues, listed alphabetically by title.
For foreign policy documents, enter "lyndon b johnson" (be sure to use the quotation marks) in the search box in the upper right corner of any page on the ProQuest site. All of the resulting "Catalog Items" listed except one are for portions of the National Security Files.
Most of the domestic sets and some of the National Security Files sets have downloadable user guides. Ask a local academic or public librarian about access to copies of any microfilm publications of interest.
